# Our latest Supra Power. The power to schedule and manage showings.

For agents on the go, Supra now offers an incredibly user-friendly showing management ecosystem at your fingertips—powered by BrokerBay.

This powerful system allows you to reduce agent and staff workloads, empower agents to get more done, and thoroughly impress clients.

As a MLS/Association-wide solution, our showing management tool is built for teams to coordinate and collaborate on listings, showings, offers, and more.

- Easily schedule, manage, and suggest new showing times as well as efficiently search, share, and book— even across multiple properties on a single tour\*
- Allow access to Supra lockboxes only with an appointment\*
- Send offer docs to listing agents for review, customize online offer settings, and track offers
- Reach out to teammates, clients, or suppliers, streamlining communication with the whole team
- Offer a collaborative 3D-virtual showing experience that makes touring homes easier than ever
- Get insights from real-time market analytics on a powerful, easy-to-use desktop dashboard

## The power to easily access properties and listing information

With the Supra eKEY® app, agents have the power to seamlessly and securely open lockboxes through their unique PIN-code and any compatible smart device.

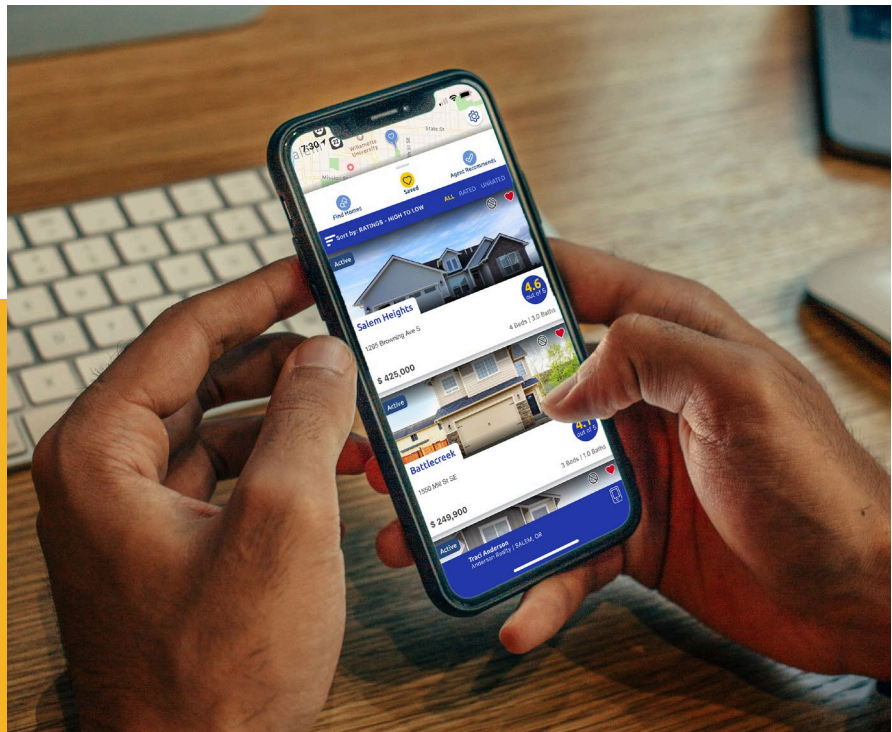

- ✓ Property access using a unique personal PIN, the phone's biometric feature or even the Apple Watch®
- ✓ Customizable access hours and lockbox shackle codes
- ✓ Real-time data at the door, including a listing photo and current property notes\*
- ✓ Real-time notifications when showings start and end.

## The power to keep listings, colleagues, and clients close at hand.

With eKEY Pro, agents are able to quickly access important information that keeps them moving forward.

- ✓ View and search all listings on your phone, even when offline
- ✓ Search and view a list of all agents in your association/MLS
- ✓ View showing details including start and end of showings
- ✓ Offer custom recommendations and gain real-time buyer feedback about properties with Home Tour.

And, with Supra's expanded access offerings, agents' lives are even easier. Whether you need to offer one-time access to trusted contractors\*\* and associates from miles away or gain access to properties outside your MLS or association, Supra has you covered.

\* Data agreement with organization must be in place and keybox must be assigned to a listing ID for MLS data and photo to display.

\*\* Currently available for organizations with existing NMA capability. Available soon for other organizations through Supra single access feature.
